Profile

2026 User Experience Design graduate with research, administration and client communication experience. Seeking a junior role helping teams understand people's needs and improve services.

Experience

Consulting Intern Jun 2026 - Sep 2026
IBM Consulting · London, UK

- Developed a mobile app prototype with business, data and development colleagues, using customer and competitor research to guide the design.
- Built reusable AI tools to help consultants analyse research and generate ideas.
- Presented the app prototype and AI research tools to IBM leadership.

Student Adviser, Integrated Project Planning Team Jan 2026 - Jun 2026
Norwich University of the Arts · Norwich, UK

- Researched how international students experienced joining the university and wrote a report recommending service improvements.
- Scheduled team meetings and took minutes.

Resident Assistant Nov 2023 - Jun 2026
Norwich University of the Arts · Norwich, UK

- Answered accommodation questions from residents and referred welfare concerns to university staff.
- Supported residence events by arranging rooms, recording attendance and updating residents.

Consultant · Freelance Aug 2025 - Jan 2026
Business Prompt Exchange · Remote, UK

- Advised a startup director on product direction using audience research and feedback.

Research Intern Jun 2025 - Aug 2025
Akendi · Cambridge, UK

- Analysed academic and industry research for an AI tool later developed to create customer profiles.
- Recruited semiconductor specialists for a client research study using LinkedIn, email and networking.

Realtor Jan 2020 - Jul 2021
Weichert, Realtors · Rumson, New Jersey, US

- Presented properties to buyers, explaining how features related to their needs and preferences.
